

August 2024 Youth Report

1. Youth Exchange - Inbound 2023–2024

- Jost's second host family provided some insights into the second half of his stay here. They commented on how much Jost enjoyed his time with Rotary members in social settings and recommended the Club try to spend more time with our students outside of club meetings. They also shared some ideas on how we can make the transition between families easier for both the student and the new family.

2. Youth Exchange - Inbound 2024–2025

- First host family is approved. They live on Main St. in Owego and have a 15-year-old daughter.
